1 [---> As you know they are trying to use Yucca Mountain as a Nuclear Waste site. If this happens then the terrorists will win another victory. It will pollute Arizona, Southern Nevada, the Colorado River, and Southern California. The pollution will be Nuclear in nature and people will have to vacate the areas and lose crop grounds. This will be a great loss to the residents of those areas and will infact force people to move to non contaminated area. I feel it is a shame that in stead of trying to build a waste dump we are not looking in to building a means of using that waste to generat power.]
